Other Events & CALLS

2017 International Award on Local Development

It aims to encourage scholars, experts, young researchers, public institutions, public and private actors and businesses to improve awareness of territorial development policies, by focusing on analytic tools and processes, and enhancing the capability to diagnose and compare them at international level. The documentation needs to be submitted in one of the following languages: English, French, Italian, Portuguese, and Spanish.

To participate in this award: [Http://cieo15.wixsite.com/localdev2017award](http://cieo15.wixsite.com/localdev2017award)
