- Lisbon Key facts and figures
- ERSA 2016: preparations already going on
- News: ERSA Summer School 2016 and A new series of academic Lectures on Cohension Policy
- What'on in October

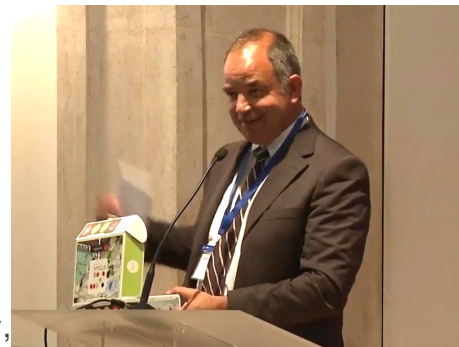

Success renewed in Lisbon!

Over 850 participants from around the world!

Thank you ALL!

"Dear Participants, It was a real pleasure to receive you during the European Regional Science Congress last August. Your presence and your contribution enriched each other, developed regional science, justified the University of Lisbon and the Parliament and contributed to the life and design of the city, Portugal, Europe and the World. Many thanks to you and to the ones that allowed your creative visit to Lisbon."

Tomaz Dentinho, Chair of the Local Organising Committee
