A must for young and ambitious scientists! Interested? Don't miss this chance to be the next Epainos Winner!

**EPAINOS
AWARD**
Young Regional Scientist

Key benefits of the Congress

- Numerous networking opportunities
- Precious feedback from colleagues around the world
- State-of-the-art knowledge at different levels

Dear Colleagues,

On behalf of the entire [LOC Team](#), let me first tell you that we are very enthusiastic to welcome you in a few months in a charming and dynamic city like Lisbon.

At this stage, we are proud to confirm keynote sessions with **Saskia Sassen**, **Roberta Capello**, **Philip McCann**, **Andrés Rodríguez-Pose** as well as **Corina Cretu**, the European Commissioner for Regional Policy with whom we will have a promising exchange between Science and Policy at the Parliament (Friday, 28 August).

Moreover, this year's programme will also be enriched by the contribution of **AESOP**, **EIB**, **OECD**, **NECTAR** and **UEA**.

See the [programme at a glance](#) freshly updated!

Be part of the ERSA 2015 and let's increase together the impact of Regional Science on society!

Get writing, we look forward to view your submission on our online [Congress participant Area](#)!

Deadline to submit: 2 March
