

2015 - December Issue 3

The CALL for Abstracts and Papers is OPEN !

Get ready for ERSA 2016 in Vienna!

WU, the Vienna University of Economics and Business, is proud to host the 56th ERSA congress August 23-26, 2016 in Vienna, Austria.

Under the general topic "**Cities & Regions: Smart, Sustainable, Inclusive?**" we will welcome regional scientists, researchers, and policy makers from all over the world at our spectacular new campus.

Over the last years the annual ERSA congresses have become THE event in Europe for the exchange of ideas, views, and research results, for networking, for policy discussions, and the generation of new ideas. We invite everybody interested in regional science research to participate, to exchange ideas and increase the impact of the discipline in policy and society.

With a wide range of [topics](#) including 33 Special Session topics, we believe to have built a promising framework for ALL of us to benefit.

Our Seasons' Greeting to all and we look forward to welcoming you to Vienna next August.

Gunther Maier

on behalf of the Local Organising Committee

Key benefits include:

- **Numerous Networking** Opportunities

- **Precious Feedback** from colleagues around the world
- **Enriching your knowledge** at different levels

Epainos Sessions: A MUST for junior scientists!

You are an ambitious young scientist, under 33 years old that wants a good platform to present ideas and results and looks forward to receive comments from the best scholars in Regional Science? Then you should submit your paper to the ERSA Epainos sessions!

To view the list of previous prize winners click [here](#)

Don't miss this opportunity to be part of the World's largest gathering of Regional Science researchers!

Submission Deadline: 12 February 2016

BE PART OF IT! Get writing and submit!
