Epainos Sessions A MUST for junior scientists!

**EPAINOS
AWARD**
Young Regional Scientist

Are you an ambitious young scientist, under 33 years old that wants a good platform to present ideas and results and looks forward to receive comments from the best scholars in Regional Science?

Then you should submit your paper to

the [ERSA Epainos sessions!](#)

To view the list of previous prize winners click [here](#)

The CALL for Abstracts and Papers is now OPEN

We are happy to announce that the **Call for abstracts and Papers is now open.**

The ERSA Congress is an exceptional platform for all authors making research in the field of regional science, and whether you are senior or junior researcher: See the profile of [ERSA Participants 2014](#).

Key benefits include:

- Numerous Networking Opportunities
- Precious Feedback from colleagues around the world
- Enriching your knowledge at different levels

Deadline to submit: **2 March 2015**

Please note the review of abstracts (and) papers will be made all at the same time. The upload of the paper is not always required.

For more details on **the call for submissions** click [here](#)

Don't miss this opportunity to be part of the World's largest gathering of Regional Science researchers!
