Places for People: Innovative,
Inclusive and Liveable Regions

August 28-31, 2018
Cork, Ireland

Draft
Programme

Register
by July
20th

The first draft programme is now
online!

The Local Organising Committee is very pleased with the quality and diversity of submissions, which will be organised into special, refereed, ordinary, and young regional scientist sessions. Cork is getting ready to welcome **over 800 regional scientists from all over the world.**

**'Research sessions to interest everyone
@ersacork2018 this August'** says Franck Crowley
of the Local Organising Committee

You want to be PART OF IT.

Register by July 20 and be part of the final programme
and/or list of participants!

What's on this week!

Bratislava is hosting the 31st ERSA Summer School

22 PhD Students and Young Researchers, are participating this week at the ERSA Summer School 2018 organised by the ERSA Slovak Section in collaboration with the University of Economics in Bratislava.

A very rich programme with proven scholars in the field:

**Jan Fidrmuc, Ugo Fratesi, Gunther Maier,
Joaquim Oliveira Martins, Guido Pellegrini,
Andrés Rodríguez-Pose, Norbert Szabó, Attila Varga.**

A unique format where participants have the opportunity present their research, receive outstanding feedback and attend state-of-the-art lectures in the field.

The 55th Colloquium of the ASRDLF

Only one day left to the start of the 55th Colloquium of the ASRDLF in Caen, France. It will be held from 4-6 July.

Keynote Speakers:

Roberta Capello and **Roberto Camagni**, Politecnico di Milano

Debate: « Territorial Sciences and regional science, which interlinks are possible? »

André Torre, INRA – AgroParisTech, Université Paris-Saclay

Claude Grasland, Université Paris Diderot – Sorbonne Paris Cités
