#ERSA2019Lyon - news

[> Keynote Speakers](#)

[> Programme Overview](#)

[> Call for Submissions](#)

ERSA EOC Meeting took place in Lyon on 2nd February. First, we would like to thank Louafi, Dominique and Yvan of the ERSA2019 LOC for their warm hospitality.

In addition to internal issues and future events, the meeting's agenda included the visit of the facilities for the Congress Sessions as well as the foreseen social events' venues. And of course we also tasted the exquisite Lyonnaise gourmet cuisine! The LOC also informed us about the ongoing developments for the Congress. " **We are confident to propose a very rich Congress with high-level academic presentations but also dedicated policy Sessions. All ingredients are here to have a unique momentum for regional scientists worldwide and increase our policy-impact on society**" says Dominique Mignot, co-chair of the LOC.

Pirs Keynote Session

The editorial board of Papers in Regional Science has chosen **André Torre** for its keynote lecture during the Congress. The presentation, scheduled on Wednesday 28 August afternoon, will feature "Is there a smart development for rural areas?"

Call for submissions: Extended deadline

Due to multiple gentle requests and the current winter holiday season (Carnival), we have decided to extend the deadline to **Friday 8 March 23.59 (GMT +1)**.
