Meeting ID: 619 5472 4078

Passcode: 554155

Why? ↓

The Nordic Section of ERSA was re-established 2020. Our main objective is to promote regional science in the Nordic countries (i.e., Sweden, Norway, Denmark, Finland, and Iceland) through enhancing collaboration and networking activities among its members. This includes organizing meetings, workshops, seminars, and conferences. You can read more about the NORDIC ERSA at our new webpage: <https://nordicersa.org>

On **December 15 at 3pm** we are organizing our **first annual meeting**. At this event, we will:

- Listen to a **keynote address** by Professor **Eleonora Patacchini** from Bocconi University in Milan, Italy. Professor Eleonora is a top scholar with research interests spanning *Spatial Econometrics and Econometrics of Network Models, Economics of Culture and Institutions, Policy Evaluation* as well as *Big Data Analytics and Machine Learning Techniques* (<https://www.epatacchini.com>)
- Inform about NORDIC ERSA including our mission and objectives, what we currently work on as well as informing about all the benefits you enjoy as a member of our wonderful organization.

Participants and aspiring members are also free to ask questions and suggest activities for NORDIC ERSA.

Welcome!!
