## Excitement growing for #ERSA2023!

Dear Members of ERSA, dear Colleagues,

I hope that you're well.

Enthusiasm grows while hundreds of registrations are coming in to be on board for our landmark Congress.

At three months before the start of our Congress, we can already confirm that we will have a very enthusiastic 62nd edition!

In Alicante first, with a great In-Person Programme and a great gathering of regional scientists from across the world. We will also have an inspiring programme online with outstanding presentations including major Keynote lectures.

Don't miss this chance to be part of it!

With best wishes,

André Torre, ERSA President

A banner for the ERSA 2023 Congress. It features a scenic view of Alicante, Spain, with the city built on a hillside overlooking the sea. The text 'Alicante, Spain & Virtual event - Urban Challenges and Sustainable Technological Revolution' is overlaid on the image. To the right, the ERSA 2023 62nd Congress logo is displayed, and the dates '28 Aug-01 Sept' are shown in orange text at the bottom right of the banner.

Alicante, Spain & Virtual event -  
Urban Challenges and Sustainable Technological Revolution

28 Aug-01 Sept

### A Promising Programme

We've designed #ERSA2023 to present and demonstrate how Regional Science can respond to new challenges with sustainable solutions.

## Internal Communication

### Call for searching for new President and Vice-President of ERSA

**Last  
Reminder**

We are searching for a new President and Vice-President. Both positions are appointed for a term of five years (2024-2028).

Each candidate can apply either for the President or Vice-president position only. Applications for both positions will be discarded.

All candidatures must be formally put forward by a national section. Applications must be submitted by ERSA national sections exclusively.

Application deadline: **30 June 2023**
