Dear Members of ERSA, dear Colleagues,

Back from Alicante where our 62nd ERSA Congress concluded last friday. The Congress Review Enews will be sent out next week, but we can already report on the great success of this year's edition.

This Congress was also the time of the election of the future ERSA President and Vice-President.

Two friends, colleagues and outstanding researchers were elected. My warmest congratulations to Roberta Capello (Politecnico di Milano): ERSA President-elect, and Yannis Psycharis (Panteion University, Athens): ERSA Vice-President-elect. All my best wishes to both of them for their terms starting next January. ERSA will be in good hands in the future.

With best wishes,

André Torre, ERSA President
