

The issue includes:

- ERSA at #EURegionsWeek
- Ongoing Calls on ERSA Sections' Agendas
- Journal news
- Publications
- Vacancies

Dear Members of ERSA, dear Colleagues,

After our Congress, ERSA has another important appointment: The **#EURegionsWeek** that will be held in Brussels from 9-11 October.

ERSA will actively participate with an outstanding **University Programme (10-11 October)** in which our well-known colleagues including **Jouke van Dijk, Simona Cafieri, Yannis Psycharis, Stephan Brunow, Alina Schoenberg** are involved as session organisers and/or speakers.

I will also be there with Dimitris Ballas (in charge of the programme for ERSA).

In addition to the University Sessions, EURegionsWeek offers many other high-level sessions for regional scientist with an interest in cohesion policy, not to mention the valuable networking contacts that can be made with EU representatives.

So if your agenda is free, I can only advise you to join us in Brussels and register to our sessions.

Last but not least, the Call for Special Sessions for #ERSA2024 Congress will start on the 3rd of October. Stay tuned to your email box.

With best wishes,

André Torre, ERSA President

ERSA-RSAI Members Publish

Harnessing Global Value Chains for regional development

How to upgrade through regional policy, FDI and trade

Editors:

Riccardo Crescenzi, London School of Economics and Political Science (LSE), UK

Oliver Harman, University of Oxford & London School of Economics and Political Science (LSE), UK

About the book

- Comprises a comprehensive description and explanation of why they matter for regional development and policy.
- Focuses on how sub-national regions can leverage them for innovation and upgrading, or “levelling up”.

Routledge 2023
