LATEST NEWS!

The Nobel Laureate
Paul Krugman
will attend the ERSA Congress in Terceira!

The Nobel Laureate, Paul Krugman, together with two other internationally renowned scholars, Robin Wells and Carlos Moreno, will join us in Terceira!
An interesting scientific programme – with opportunities for interaction with these speakers – is being built around their presence, in cooperation with The Regional Science Academy. More details on the programme will be released soon. The main core of their activities will take place on Thursday afternoon, 29 August 2024.

STILL TIME TO JOIN US in Terceira Island

> Reminder: Accepted presenting authors registration deadline: 30 June

Support needed? The LOC will be pleased to help you. Send an email to congress@ersa.org

37th ERSA Summer School

Quantitative Methods Addressing Geographical Imbalances: New Techniques, Frameworks and Applications

1 - 7 June 2024, Oviedo, Spain

Our warmest thanks to the Oviedo Local Organisers and the lecturers.

19 smart young researchers were selected to participate in this year's edition. Again, our summer school programme resulted in an acknowledged success!

Feedback on the participant's survey (16/19 filled in the survey)
5-day format of the programme: 4.8
Quality of the Keynote lectures: 4.4
Quality of the Tutorial sessions: 4.4
Quality of the Young Scientists Sessions: 4.3
Quality of the feedback sessions: 4.3
Networking during the event: 4.8

What they said...

"Leaving Oviedo with a lot of knowledge, new friends and good memories". Kateryna Zabarina, University of Warsaw

"ERSA Summer School provides young researchers with a super friendly and inspiring atmosphere to learn and debate academic research." Genghao Zhang, University Of Bristol

Other news

5th International Award on Local/Territorial Development
André Torre (Université Paris – Saclay and INRAE) has been awarded the Scholar Prize for the quality of his research on territorial development, on the mechanisms of cooperation and conflict between actors that generate innovation, on the governance of development processes in both rural and urban areas. Congratulations to him!
